

TRIMWEIGH™ III

ANALOG BENCH SCALES

The METTLER TOLEDO TRIMWEIGH III analog bench scale is available in IP69k electro-polished stainless steel. The proven analog load cell is the same load cell used in METTLER TOLEDO's premium VERTEX® floor scales. The load cell is hermetically sealed for optimum protection. Three versions are available and built for heavywashdown and high humidity environments. They can withstand shock and overload up to 300% of capacity.
